NOMINATIONS FOR ELECTION TO COUNCIL

The twelve elected members of Council serve for a term of three years, and may serve a second term. In accordance with the Society's Articles of Association, the following elected members of Council are due to retire in September 2010:

Karen Anderson	end of First Term
Stuart Robson	end of First Term
Alexander Koh	end of Second Term
Meredith Williams	end of Second Term

K Anderson and S Robson are eligible for re-election. Neither A Koh or Meredith Williams is eligible for re-election having served two terms on Council. Therefore, a total of 4 vacancies exist on the RSPSoc Council, with effect from September 2010, for a period of three years.

Nominations, which must be made on the form provided, should be returned to the RSPSoc Office by Friday 9th July 2010. Note that the nominees, proposer and seconders must be Professional, Individual, Corporate Individual or Concessionary members of The Remote Sensing and Photogrammetry Society.

In the event of nominations exceeding the available vacancies (4), a postal ballot will be held.

Council members are expected to play a full and active part in the workings of Council and be prepared to take on vacant positions which may arise. Council normally convenes three times during the year. Meetings are held in the afternoons and usually in London, in November, February and May/June.
