MINUTES OF THE 2003 EXTRAORDINARY GENERAL MEETING OF THE REMOTE SENSING AND PHOTOGRAMMETRY SOCIETY

Thursday 11th September 2003, 5.30 pm, Room A48, School of Geography, University of Nottingham, Nottingham, NG7 2RD, UK.

The attendance of the EGM is recorded in Annex 1 of the AGM Minutes.

The Chairman, I Downey, opened this meeting which had been called to consider and vote on the special resolution authorizing the increase in member's annual subscriptions.

I Downey then proposed the Special Resolution as follows: the Members of the Remote Sensing and Photogrammetry Society agree to change the annual subscription for Ordinary Members to 45 pounds sterling, to take effect from the membership year beginning on 1st April 2004. The annual subscription for other types of membership will change by an amount determined by the appropriate multipliers. M Wickett seconded this and all were in favour.

A vote was then taken and the Hon. Gen. Secretary counted the votes as follows:

A total of 49 were in favour, 2 were against and a further 7 had authorized the Chairman to vote, which were in favour. Therefore, the vote was in favour to increase subscriptions.

There being no further business the EGM closed at 6.14 pm.
