SURCO Limited is the trading company of the Institution of CIVIL ENGINEERING SURVEYORS

Evening dinner

On the evening of 22 April, a dinner will be held which is open to visitors. The dinner is sure to be a highlight of XCES and consists of a special guest speaker, fine dining and top class entertainment that is not to be missed. Tickets are priced at £47.50 each or £450.00 for a table of ten.

Guest Speaker: Bill Tidy MBE

Phenomenally talented and highly respected cartoonist, author, writer, TV and radio presenter Bill Tidy is our guest speaker. A former Royal Engineer, stationed in Germany, Korea and Japan, Bill will deliver a unique presentation which incorporates his wit, expertise and indomitable style in every sense of the word.

Entertainment: Blond

The Blond String Quartet was formed in 2001 as an innovative ensemble to perform music outside of the standard string quartet repertoire. As the resident string quartet at the Ritz Hotel, London, Blond enjoyed playing music from different genres, including pop, jazz and easy listening, as well as an extensive classical collection.

EXHIBITION FOR CONSTRUCTION AND ENGINEERING SURVEYING

An exhibition for the construction and civil engineering industry, including engineers, architects, surveyors, contractors, local authorities, academics and anybody who is involved in geospatial information.

In April 2009, York Racecourse will be the venue for XCES, an exhibition showcasing measurement, imagery, mapping, design, data collection, CCTV surveying equipment, positioning products, accessories and services for the construction and engineering industry.

XCES will be of interest to everyone involved in geospatial related activities.

Opening times: Wednesday 22 April: 9.30am – 5pm
Thursday 23 April: 9.30am – 4pm

This major event is organised by SURCO on behalf of the Institution of Civil Engineering Surveyors and is co-sponsored by the industry's leading professionals.

Along with the latest technology on display, attendees will be able to view products in more detail in the free workshops hosted by our exhibitors. Visitors will also be able to browse the industry's educational and professional membership opportunities on offer.

This event has already attracted a lot of interest with over 75% of stand space being confirmed by October by the leading industry manufacturers and suppliers.

IF YOU WOULD LIKE TO EXHIBIT AT THIS EVENT, PLEASE TELEPHONE ALAN LEES ON 0161 972 3122 TO CHECK FOR AVAILABLE SPACE.

The venue

XCES will be held in the Knavesmire Stand at the popular York Racecourse, which meets all the expectations of a modern exhibition venue along with award-winning facilities. This spectacular venue is ideally located, with easy access from the motorway network and mainline train services.

York Racecourse is just outside the city of York with good motorway links on the M1 and A1. Once near the city, from the south, east and west the A64 and A1036 are the roads to follow. From the north, use the A19 and A59, then the York Ring Road to avoid the city centre.

For further information, please contact Alan Lees or Niccola Dodd on 0161 972 3100 or email xces@ices.org.uk

The organisers have the right to refuse admission. No persons under the age of 18 will be admitted without prior permission from the organiser. The organiser accepts no responsibility for personal injury, loss or damage of personal property. Cars using the car parks do so entirely at their own risk.

If possible, please complete your registration online at www.surco.uk.com/xces.php or www.ices.org.uk/xces.php

Pre-registration will help ensure your speedy access into the exhibition hall and reduce queuing time.

If you do not have access to the internet please complete the following and return by post to: SURCO Limited, Dominion House, Sibson Road, Sale, Cheshire, M33 7PP or fax to 0161 972 3119.
